## HOME AFTER TWO YEARS

*Sanders-Hardiman Expedition Returns*

LIVERPOOL, Thursday. The seven members of the Sanders-Hardiman Ethnographic Expedition landed at Liverpool today. Back in Europe after a fruitful two-year trip through Peru and Bolivia, the scientists report that their travels took them deep into little-known territory. They discovered several Inca tombs, one of which contained a mummy still wearing a 'borla' or royal crown of solid gold. Funerary inscriptions establish beyond doubt that the tomb belonged to the Inca Rascar Capac.

This will lead to trouble...  
You see if it doesn't!

?

What'll lead to trouble?

All this mummy business. Remember, young man, what happened with Tut-Ankh-Amen!

Think of all those Egyptologists, dying in mysterious circumstances after they'd opened the tomb of the Pharaoh... You wait, the same will happen to those busy-bodies, violating the Inca's burial chamber.

You think so?

I'm sure of it!... Anyway, why can't they leave them in peace?... What'd we say if the Egyptians or the Peruvians came over here and started digging up our kings!... What'd we say then, eh?

Well, I...

Oh... excuse me. I see we're coming to my station... I must go.

But what on earth did you expect it to be?

Whisky, by thunder!  
... Whisky!

Whisky? ... Come now, Captain, you can't be serious. How in the world could water turn itself into whisky? ... It's impossible!

Impossible! Impossible! ... No, blistering barnacles, it's not impossible. He manages it every time!

Who's he?

Bruno, the master magician! He's appearing at the Hippodrome. I've studied his act for a solid fortnight, trying to discover how he does it...

Yesterday I thought I'd solved it at last. Blistering barnacles, what do I get? Water, water, and still more water! But I'm going back again tonight, and you're coming too! This time I'll get the answer!

HIPPODROME

You must watch carefully to see exactly what he does ...

We've got plenty of time. There are several other turns before he comes on.

First we have Ragdalah the fakir, with Yamilah, the amazing clairvoyante. Then Ramon Zarate, the knife-thrower. Next ...

Ssh! Here comes Ragdalah the fakir. He's incredible too.

Ladies and gentlemen, I have much pleasure in inviting you to participate in a remarkable experiment: an experiment I had the honour to

... before his Highness the Maharajah of Hambalapur, and for which he invested me with the Order of the Grand Naja ... The secret of the mysterious power at my command was entrusted to me by the famous yogi, Chandra Patnagar Rahad ... And now, ladies and gentlemen, it is my privilege to introduce to you one of the most amazing personalities of the twentieth century...

I present: Madame Yamilah!

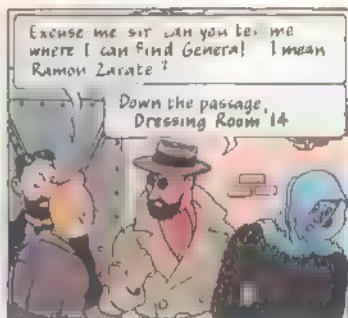

Caramba! ...Tintin!...  
My old friend!.. Amigo  
mío, qué sorpresa! ...Ay!  
Dios de mi vida! How I  
am happy to see you  
again.

And this person here  
is what?

You remember, my  
friend Captain Had  
lock

Los amigos de nuestros  
amigos son nuestros  
amigos!... I am happy  
Señor Colonel, so  
happy!

Delighted!

Descuida no es  
la policía

Ah! bueno!

Poor Chiquito!.. You under-  
stand. Ever since police  
come to look at our pas-  
ports and our papers, we  
find police everywhere.

Yes, I quite  
see

Por favor, we cele-  
brate this happy  
meeting You  
take with me a  
glass of aguar-  
diente

Your good health, amigo mío!  
Your good health, Señor Colonel!

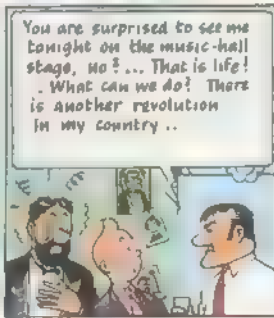

Here's to you,  
General!

Good  
health!

Look out, it's  
awfully strong!

Strong? ...  
Pooh! I'm  
used to it, my  
dear fellow...

You are surprised to see me  
tonight on the music-hall  
stage, no?... That is life!  
...What can we do? There  
is another revolution  
in my country ..

and that mangy dog,  
General Tapioca, has  
seized power. So, I must  
leave San Theodoros.  
After I try many different  
jobs, I become a knife-  
thrower.

Sorry to interrupt,  
but it's time we were  
getting back to our  
seats, otherwise  
we'll miss the con-  
juror.

Yes, you're  
right

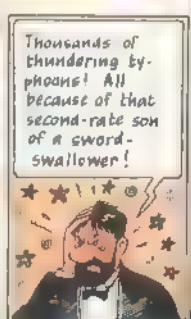

I'm very sorry we have to  
leave you so soon. You see,  
we rather want to watch the  
conjurer do his act... Goodbye,  
General

Adios, amigo  
mío

Quick, or we shall miss the turn!

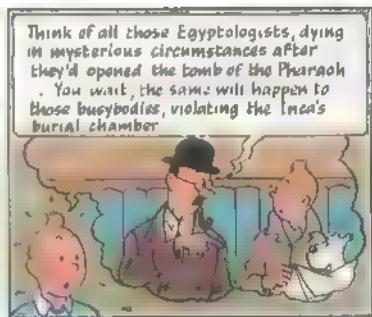

Strictly speaking, it isn't exactly an illness... The two victims were found asleep, one at his desk the other in his library. According to a preliminary report, the explorers seem to have fallen into some sort of deep coma or hypnotic sleep.

Oh ? How very strange

But have a look here..

?

Well ?... They're little pieces of glass

Pieces of crystal... they were found close to the two victims.

Have you thought of having these crystal fragments analysed ?

Yes, I've left some of them at the laboratory at police headquarters. They're working on them now

There it is : that's all we know so far

Anyway, it's enough for us to rule out the theory of simple coincidence.. What we need now is the result of the police analysis. I wonder..

I'll ring up the laboratory. Perhaps they've got the answer already

Good

Hello ?.. Headquarters ? Put me through to the laboratory, please. Hello, Doctor Simons ?.. This is Thomson.. No without a P, as in Venezuela... Yes.. the analysis. Well ?

What ? ?

Professor Readbuck !.. It's fantastic !.. found asleep in his bath... Yes.. They discovered the same crystal fragments.. Incredible !... I say, how is the analysis getting on ?... Have you... ?

Nothing definite yet... We've established that the glass particles come from little crystal balls... These probably contained the substance...

.. which sent the unfortunate victims into a sort of coma... The substance ? We have absolutely no idea.. Yes, we're pressing on with our tests... I'll let you know how things are going. Goodbye

I can't believe it ! Professor Bath-bub found asleep in the reads !

Number three !

We must warn the other members of the expedition at once! And we must get police protection for them

Why?... You don't think that they... that we... that it...?

Of course! There's no reason why this should stop. Everyone who took part in the expedition is in danger. Let's see... Sanders-Hardiman, Clarkson, Reebuck, that's three... Who were the others? ... Oh, yes! Mark Falconer. Ring up Mark Falconer.

Hello? Hello? Hello? Hello?

It's always the same with the telephone: whenever you need it, it's guaranteed to be out of order!

There's no reply!

I hate to interfere, but if I were you I'd try using that.

Is that Mark Falconer?

Yes Falconer speaking ...

Yes... yes... yes, I was just reading the paper... What? Professor Reebuck too? ... And no... What's that? Crystal fragments! ... By Jupiter, so he was telling the truth!

Who? An old Indian, who got drunk on coca one night. He told me. No, I can't explain over the telephone... No, I'll come along and see you... Where? ... Good!

I'll pick up a taxi and be with you right away. Meanwhile, warn Cantonneau, Midge and Tarragon. Tell them to stay indoors. And above all to keep away from the windows.. Yes, windows... Me! Don't worry, I shall be on my guard.. Goodbye for now, I'll be with you soon.

He's coming here. He seemed to know all about it.. He said we should warn the other explorers, telling them not to go out and to keep away from the windows

Good, I'll warn Professor Cantonneau

Great snakes! I can't get through! I must keep on trying!

If they put in an appearance, I'll be ready!

Twenty-six, Labrador Road

Right you are, sir.

Hello? Ah, it's you, Professor Cantonneau. Thank goodness I've caught you in time!

My dear Tintin, what's the matter? ... No, I've not heard anything! ... What? But that's fantastic! And Clarkeon too? And Reebuck? ... How terrible! What? I must be on my guard!

Yes, be very careful... And above all, don't go near the window ... Yes, the window... It's ...

ZZINGG  
OH!... CLING  
CLING CLING  
CLING

Hello? .. Hello Professor Cantonneau! .. Hello? .. Hello? .. Hello?

What's happened?

Something's happened to Professor Cantonneau!.. I'm going straight round there .. You stay here and warn the other two explorers at once.

There's a taxi pulling up outside the door.

I expect it's brought Mr Falconer... I'll take it on

Hurry Snowy! Hurry!

Here we are, sir: sixty-five pence

?

!

The same crystal fragments!

Your passenger- he's been attacked! Tell me, did you stop anywhere on the way?

No... oh, yes. Once, at a junction, when the lights were against me

Now I remember! It must have happened then. Another taxi drew up alongside mine, and I heard a faint sound of glass breaking. I didn't think much of it at the time. The lights changed and we moved off

I see. Go into the house and up to the first floor, where you'll find two police officers. Tell them your story. I'm off to warn Doctor Midge.

Righto!

... of the seven explorers who took part in the expedition, only Doctor Midge and Professor Tarragon have escaped the fate of their colleagues. A day-and-night police watch is being kept on their homes, and on the office of Dr. Midge, Director of the Darwin Museum

Tintin, my dear fellow!  
...How very nice!

How are you? And how's  
Professor Calculus?

Very well. He's  
busy reading the  
paper to me...

The police are taking full precautions to  
ensure the safety of the last of the seven  
members of the expedition. This move is  
welcome. It is certain.

...that otherwise he would  
swiftly share the fate of  
his colleagues. Today,  
Professor Tarragon.  
Oh!

Tarragon!... The last of the  
seven? Is it really him? Well,  
I never knew Tarragon. He  
and I were students together.

You know Professor Tarragon, the expert  
on ancient America? ...Isn't he the one  
with the Rascar Capac mummy in his  
possession?

Oh no! On the contrary, he's  
most kind... I'll introduce you  
to him if you like.

I'd enjoy meeting him.  
Thank you.

You'd like to go  
now? Certainly...  
Come along.

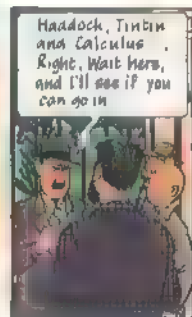

Look, visitors for  
Professor Tarragon.

We'd like to see  
Professor Tarragon.

Have you a  
pass?

Haaddock, Tintin  
and Calculus.  
Right, wait here,  
and I'll see if you  
can go in.

It's like trying to get  
into a fortress!

We have our  
orders...

O.K., these gentlemen  
can come in.

HA - HA - HA - HA - HA !

Here's the culprit. Our friend Rascar Capac frightened your dog. Rascar Capac he who unleashes the fire of heaven.

BOOM

What about that? We were just talking about Rascar Capac he who unleashes the fire of heaven and I think he's going to bring back

You have an open car, I believe. If I were you I'd put it under cover right away. These summer storms can be very violent ... an absolute downpour.

Thanks. May I put it in the garage?

Did you hear that? ... Sounded like a shot outside...

Over there ... a man running. It's one of the detectives guarding the house.

Quick, let's see what's happening...

That came from the direction of the gates.

BANG

Everything all right?...Good, good...  
At any rate, the false alarm did  
prove that the house is well  
guarded

Yes, it certainly seems  
to be. But still, we  
must be very care-  
ful.

By the way, Professor, what do you  
make of this whole business of the  
crystal balls?

What do I make of it?  
Not much... But as a matter  
of fact, I've drafted a  
paper

.. on the occult practices  
of ancient Peru. It seems  
to have some bearing  
but I doubt if it will  
solve our problem

Look at this it's a translation  
of part of the inscriptions  
carved on the walls of Rascar  
Capac's tomb. You may like  
to read it

"After many moons will come seven strong-  
ers with pale faces, they will profane the  
sacred dwellings of he-who-unleashes-  
the-fire-of-heaven. These vandals will  
carry the body of the Inca to their own  
far country. But the curse of the gods  
will be as their shadow and pursue  
them over land and sea..."

But.. but.. this is quite  
extraordinary!

Isn't it?.. But  
read the next  
bit...

CRACK

Rascar Capac's disappeared! ..  
Vaporized! .. Vanished into thin air!  
There's nothing left but the cinders!

But Professor Tarragon ..  
what's the matter ?

I .. it's nothing ..  
Read the rest .. the  
rest of my translation

"There will come a day when Rascar  
Capac will bring down upon himself the  
cleansing fire. In one moment of flame  
he will return to his true element, on  
that day will punishment descend  
upon the desecrators."

Excuse me, Hercules

The prophecy is fulfilled... Rascar  
Capac has gone .. and I am struck  
down by his curse .. I feel it!

Me too! And it smells  
very strong sulphur,  
isn't it?

Don't give in! The house  
is well guarded; you know  
that. Where do you  
sleep?

In the next room.  
There are no  
windows.

Good. And there are shutters in  
here... What's more, we are upstairs.  
To make doubly sure, we'll station two  
policemen outside these windows... You  
see, there's absolutely no danger.

You're right... I'm being  
absurd.. Let me show  
you to your rooms, then  
I'll bid you good-night

Some hours later ..

Whew! What a relief... It was only a dream... The gas blew the window open!

Still, it was a horrible nightmare

HELP!... HELP!

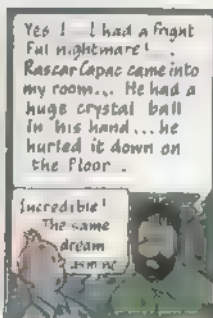

That's the Captain's voice!

THUMP

What's happened, Captain? I thought I heard you shouting

Yes! I had a frightful nightmare! RascarCapac came into my room... He had a huge crystal ball in his hand... he hurled it down on the floor...

Incredible! The same dream again

OOH OOH

Now what's it?

Look out! He's there! He's after me! He's coming!

But it's impossible  
every single exit is  
guarded

Professor Tarragon!  
Professor Tarragon!

There's nothing we can do. The  
crystal ball has done its work... and  
claimed the last of the seven.

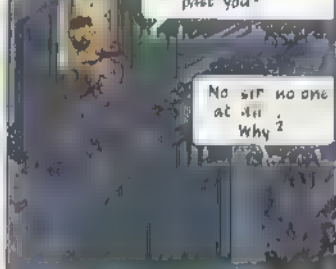

Quick the window! The intruder  
must have gone that way

But no the window and  
the shutter are closed tight  
it's incredible!

Has anyone gone  
past you?

This absolutely beats  
me... How did the  
fellow make his  
getaway?

Oh! Look over there!  
Rascar Lapac's jewels  
have disappeared!

WOOAH!  
WOOAH!

There! That's how it was  
done the attacker came  
and went by the chimney!

Well if he went up here there's  
still time he can't have got  
clean away

Well, now we know! He did use the chimney!

The roof! Search the roof!

Very good, sir

Over there! ..Look!.. There's a man running away!

Got him!

He's fallen!  
Quick, let's see

He fell somewhere about here.

Seek Snowy  
seek him out!

There's nothing I'd like better, but

Oh so that's it! Snowy's nose is still caked with soot... He can't possibly smell anything else!

AAAAAAAAAAAAAH!

That was Professor Tarragon's voice!

Blistering barnacles!  
They're murdering  
him!... Come on, hurry!

Help!

AAAAH!

Merwy!  
Mercy!

They're coming back! I can see  
them! They're going to smother me!

Keep away, you devils! They'll  
tear me to pieces!

It's all right, Professor  
Tarragon, it's all right.  
There's no one here... only  
your friends.

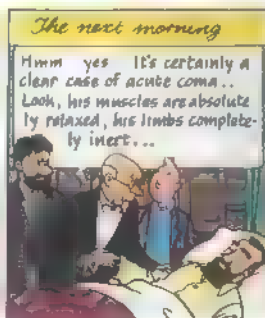

But now what? Look, he's fallen back  
into a coma.

No luck, the thing escaped us..  
Now, I wonder what's going on  
back here at the house.

He screamed and shouted, he seemed  
to be suffering horribly... Then sud-  
denly he calmed down. I think it  
would be an idea to call in a doctor.

*The next morning*

Hmm, yes. It's certainly a  
clear case of acute coma..  
Look, his muscles are absolute-  
ly relaxed, his limbs complete-  
ly inert...

?

YEOW!

'They're coming back! They'll start again - tormenting me! ... Help, help!

'They're coming! ... Get away, you torburens! ... Help me! ... Help!

RAT  
TAT  
TAT

Who is  
it?

Oh, it's you? ... Good morning  
Is Hercules there?

Yes, he's there, in bed,  
ill. The doctor is here ...  
He sounds in a bad state.

Going round the estate?  
Good. I'll join him.

Where is he?

I can't see him.

Still, that's easy. I'll  
find him with my pen-  
dulum.

hello, what's  
happening?

Peculiar, very peculiar!  
I wonder

Hat, umbrella,  
spectacles, pendulum:  
that's the lot on  
we go!

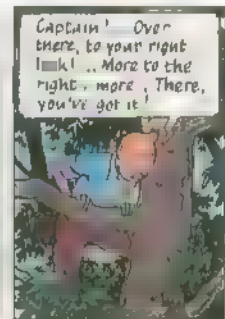

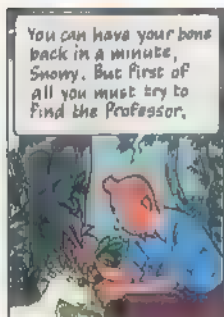

Goodness gracious! How  
extraordinary! There  
must be something  
behind these bushes

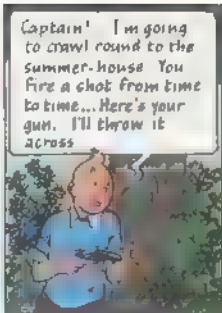

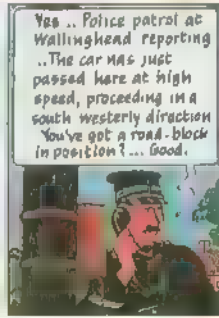

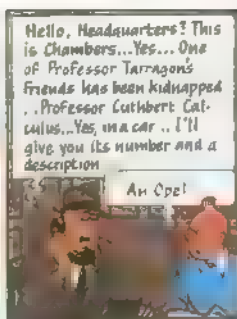

Look there's a car coming

Excuse me, sir but have you seen a black saloon car on the road?

A black saloon? I don't think so. I wasn't paying much attention.

Here comes another

A black Opel saloon?... No... no... I don't recall seeing one...

Carry on sir

Odd! Where can they have gone?

We'll soon find out. We'll make a reconnaissance.

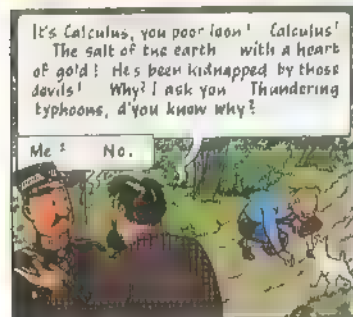

Kidnapping Calculus. Band of thugs... Why pick on Calculus?... And why did he have to go walking in the garden, anyway?

Ah Now we know

What? You haven't seen them? But it's ages since they went past us!... They almost ran us down!

Good heavens, you're right! A fawn car did pass us... A saloon... I stopped it myself

You didn't think of taking the number?

No, why should I?... But wait a bit. The driver looked like a foreigner Spanish, or South American, or something like that... Fattish, sun tanned, black moustache and sideboards, horn-rimmed glasses...

And the others?... There were some others, I suppose?

Yes, there was someone sitting beside him... Another foreigner, I'd say: dark hair, bony face, hooked nose, thin lips... I think there were two other men in the back, but I only caught a glimpse of them.

Good!... Well, you can call off the beaters... It's a waste of time. The kidnappers are far away.

Oh, yes? How do you know that?

How do I know? Look at these tracks... Here are the tyre-marks of the Opel. But here are some others, different tyres, Dunlop I'd say: the tyres of the car that was waiting for the Opel

Bleating barnacles, you're right! But how did you guess that it was fawn-coloured?

Look here..

Specks of fawn paint... The lane is narrow. In turning, one of the wings of the car scraped against this tree, leaving traces of paint

The crooks! So they switched cars!

Come on, we must pass all this on to the police at once. Perhaps they'll be able to catch them further on...

The next morning

Let's see Ah, here..

"The car used by the kidnappers is a large fawn saloon..." Good... "The occupants are believed to be of South American origin..." That's right... "Anyone who can give any information is asked to get in touch with the nearest police station immediately"

Oh well, there's still some hope left...

RRRING  
RRRING

Hello, this is Thomson. Yes, without a P I say, there's something very queer going on at the hospital where the seven explorers are detained... I think you'd better slip round there

It's certainly very peculiar.

But what possible connection can there be between all this and the kidnapping of Calculus?

The next day...

Good afternoon, Nestor. How is the Captain?

Oh sir, he's aged ten years since this trouble began. And you, sir? Have you any news?

None Nestor. Poor Professor Calculus has vanished into thin air.

Oh dear, oh dear! The master will be so disappointed.

Hello Captain

Ah, Tintin! Hello... Well, what about Calculus? Anything new?

Nothing at all, I'm afraid

Thundering typhoons

Snowy! Here, Snowy!

Hello. Yes... It's me... Who's that? Oh? Well, what news? ... What?!

A few minutes later

And now Captain, will you please tell me where we're going?

To Westermouth

The police rang me. The fawn car was seen near there two days ago by a garage hand. They stopped at a pump for petrol, then left, heading towards the docks. Undoubtedly the kidnappers have boarded a ship with Calulus. And so will we.

by thunder and snatch him from the grasp of those iconoclasts, those vampires those. And just think! Westermouth, docks, jetties the ocean, the sea breezes whipping the spray in your face..

As for the spray, Captain, you've got your wish!

Blistering barnacles! Quick the hood, or we'll be drowned!

What's up?

Thundering typhoons, it's stuck! .. Something's caught up .. I'll try to do it from inside the car..

Billions of blistering barnacles!

That's got it!

About time too!

Thundering typhoons!  
I'm soaked!

Everything happens to me!

Oh well, at least I'm a bit  
drier now

Gangsters! Road hogs! Motorbuses!  
Steamrollers! Nyctalops! Parasites!

Sea-gherkins! Pock-marks!  
Cannibals!  
Come on, Captain, hurry up, or  
we'll never get there

As soon as we get to Westermouth to  
morrow we'll go straight to the  
police; they'll put us in the  
picture

Early next morning

I'm sorry, there's nothing fresh... It was a  
fawn car all right but was it the one containing  
your friend? It was seen heading for Westermouth  
and since then nothing... it has  
simply vanished.

The search is continuing,  
that's all I can tell you  
But in my opinion there's  
very little chance.  
Excuse me

Heilo? Yes, this is Inspector  
Jackson. Yes. Again? ...  
What? Where? In one  
of the docks? ...  
Well I'm... There's no  
mistake about it? ...  
Excellent

Hallo,  
General !

Ay Dios de  
mi vida! ...  
Tintin!  
amigo mio!

Nice to see you, General.  
Are you off on tour ?

On tour ? ... Caramba!  
I go home to my  
own country. Music-hall,  
for me is finished ..  
No more  
partner.

No partner ? ... What's hap-  
pened to Chiquito ?

Gone!... Disappeared!... Four  
days ago... I not blame him  
.. Before we come to Europe  
he say he leave me one day;  
not to worry, not to look for  
him And, it is so.

Four days ago ?.. Then he disap-  
peared on the twelfth.. well, well  
tell me is Chiquito a real Indian!

Is Chiquito a real Indian ?  
Santa Madre de Dios !  
He is one of last descend-  
ants of los Incas!

What ? A descendant of the Incas ?  
You're sure of that ?

Absolutely sure ! He is pure-  
blooded Quichua Indian...  
Chiquito is just stage name,  
His real name is Rupac Inca  
Huaco

Rupac Inca Huaco ? .. !  
wonder.. The thin man  
beside the driver, in the  
fawn car..

The fawn car ?

Have you ever seen Chiquito  
with a rather fat man with a  
small black moustache and  
horn-rimmed glasses ? ...  
Perhaps a Peruvian

Never. He never see any-  
body, never speak to any-  
body except me.

TOOOOOOT

Caramba I must go now Adios  
amigo mio We meet again, perhaps!

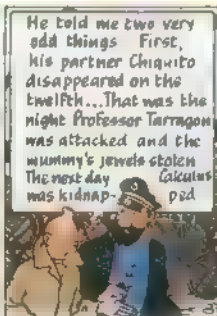

Good luck!

All  
aboard!

Well, who did you  
see over there ?

General  
Alcazar

He told me two very  
odd things First,  
his partner Chiquito  
disappeared on the  
twelfth... That was the  
night Professor Tarragon  
was attacked and the  
mummy's jewels stolen  
The next day  
was kidnap-  
Calculus ped

Secondly, Chiquito's  
real name is Rupac  
Inca Huaco, and he's  
a descendant of the  
Incas!

What ?

Strange  
coincidences,  
eh ? Very  
strange.  
What do  
you say  
to that !

Hey  
Whoa ! ...  
Stop ! ...

?

But Cap-  
tain I.

Come on, let's  
go Captain.

I haven't  
a notion.

Well?

Whew, that was a near thing!

Hello, Snowy. What have you got there?... A hat?

Goodness, it's the same one... The one the Captain kicked.

There... And leave the dirty thing alone!

Here, Snowy! Come here! And put that hat down!

Why can't you do as you're told?

We'll put a stop to your little game...

Now!... At least you won't go in there after it!

Come along, Snowy!... Here!

Woah! Woah!

SPLASH

Oh, so you're trying to make a fool of me, are you?

Donkey! What do you want me to do with the hat? Wear it?

Then I'd look like... Crumbs!... No, it's impossible!

Captain! ... Captain! ... I've got Calculus's hat!

Old Cuthbert's little round hat! ... That's why Snowy insisted on retrieving it! ... Look at the initials!

C.C.: Cuthbert Calculus! ... But then ...

Calculus wasn't taken aboard at Westernmouth. It was here at Bridgeport... But what ship? ... And what was her destination? ... That's what we need to know.

But how can we find out?

I've got it! We must try to find those two lads who played the trick with the hat.

Yes! I'll teach the young pirates a thing or two!

On the contrary, Captain, you'll be very nice to them ... After all, thanks to them we found the hat ... and we want them to tell us how they came by it themselves.

Oh, yes...

Good old Snowy; because of you we've made a wonderful discovery ... Now we want you to help us again ... We must find those two scamps ... you ran after them, remember?

An hour later...

?

Hey, what's bitten you?

Hello there!

Don't worry, we're not looking for trouble. We just want to know where you found this hat?

That hat? ... We were down in No. 17 shed this morning ... where the crates were stacked for loading aboard...

... the "Black Cat" ... When they lifted one of the crates out of the shed, I saw the hat underneath, all flattened out ... Honestly, it wasn't my idea to play that trick ... It was my friend ...

Well, your friend had a jolly good idea ... Didn't he, Captain?

Now, Captain, to the harbour master's office. We'll ask them when the packing-cases came into the warehouse.

The cases? ... They arrived on the fourteenth, by rail ... This morning they were loaded aboard the "Black Cat".

And the night before they arrived, was a ship berthed opposite shed No. 17?

On the thirteenth?... Let's see... Yes, the "Pachacamac" - a Peruvian merchantman. She arrived from Callao on the tenth with a cargo of guano; she sailed again for Callao on the fourteenth with a load of timber.

Five, I'm most grateful to you.

As I see it, Calculus was kidnapped by Chiguito, a Peruvian Indian; he's aboard the "Pachacamac", a Peruvian ship, bound for a Peruvian port!

But, thundering typhoons, we must go after these gangsters at once! We must rescue him!

Agreed! We'll leave for Peru as soon as we can... Tomorrow, or the day after. Now I'm going to ring up the Inspector and tell him what we've discovered.

Good. And I'll telephone Nestor to tell him we're leaving.

Hello... yes, speaking... What? The Professor's hat?... You... Oh!... Yes... Of course... The "Pachacamac" for Callao... It seems a very strong lead... Yes, I'll make the necessary arrangements... What? You're going to Callao? But that's absurd!... As you like... When are you leaving?... Right... Goodbye, and good luck!

The next day...

Excuse me, but that isn't the plane for South America taking off, is it?

Yes, that's her.

Oh dear! Oh dear! What a calamity! What a calamity!... The master! My poor, poor master!

What's up? Anything serious?

It is indeed! The master has left without a single spare monocle!

Now off to Peru!... We shall be in Callao well before the "Pachacamac". We'll get in touch with the police there at once, and as soon as the ship arrives, we'll rescue Calculus.

Yes, that's all very fine, but I wonder if it will be as easy as you think...

What will happen in Peru? You will find out in **PRISONERS OF THE SUN**
